

Q: What is the pricing of the Navigate Scenarios?

A: Each Scenario product set (4 episodes) is priced at \$49.95 as a standalone product, or +\$15 when bundled with a Jones & Bartlett Learning text.

Q: Are the Navigate Scenarios time limited?

A: No. Students may take as much time as they need to complete the episodes.

Q: As an instructor, how do I access these?

A: Qualified instructors may request 30-day, complimentary access to any Navigate Scenario product set. Please contact your Account Manager* to learn more.

Q: What is the seat time to complete each episode within a given Navigate Scenario product?

A: 45-90 minutes per episode depending on the student. Most Navigate Scenario products set contain 4 episodes so plan on a total of 2-6 hours to complete the full set. This is ideally assigned as 4 different homework assignments across 4 weeks. The newest offering within the series, *Navigate Scenario: Health Care Change Management*, is a single episode project which takes 2-3 hours to complete.

Q: Can Navigate Scenario be integrated into my University LMS?

A: Yes. Navigate Scenarios can be integrated via LTI. Contact your Account Manager* to learn more.

Q: Is this suitable for use in an online class?

A: The Navigate Scenarios are suitable for online, on-ground, and hybrid courses.

Q: Do the Navigate Scenarios align to specific Jones & Bartlett Learning textbooks?

A: The Scenarios provide unique content not offered in any single Jones & Bartlett Learning text. However, they serve as an excellent complement to several of our textbook offerings. Please contact your Account Manager* for recommended pairings with Jones & Bartlett Learning texts.

Q: As my students work through each scene within the Navigate Scenario episodes, is their progress saved?

A: Yes. As your student moves through each scene, their progress is saved so that if they close their browser window or log out, they can resume the episode where they left off. Students can also jump between scenes by using the menu at the top left of the window.

Q: Are the Navigate Scenarios accompanied by assessments?

A: Yes. Each episode is accompanied by a secure, instructor-only package which includes 4, ten-question multiple choice quizzes (one quiz for each episode) as well as 4 prompts for a written assignment such as a recommendation or proposal. All assessments/assignments are assigned at the instructor's discretion. Please contact your Account Manager* for access to the instructor support materials.

Q: Are the assessment quizzes auto-graded?

A: No. The quizzes are provided as LMS ready files which can be offered from within your University LMS.

Q: Can you mix and match episodes from different scenarios (e.g. Law and Ethics)?

A: Yes, you can select episodes from different Scenario sets to create your own custom set. The minimum number of episodes we can provide as a single set is 4.

Q: Is it free to create an account at www.jblearning.com?

A: Yes, it is free to create an account on the Jones & Bartlett Learning website. Simply click "My Account" at the top right and then follow the prompts to create a new account.

Q: How many Navigate Scenario products are there?

A: There are currently 9 different Navigate Scenario products covering the following topic areas:

Healthcare Delivery	Healthcare Ethics	Healthcare Finance
Healthcare Human Resources	Health Policy	Healthcare Marketing
Healthcare Law	Organizational Behavior	Change Management

Q: Are more subject areas in development for the Navigate Scenario series?

A: We are exploring different topic areas. Please contact your Account Manager* to provide feedback on additional topic areas that would be of value to you and your students.

Q: Are any of the Navigate Scenario episodes relevant to a clinical health care perspective?

A: In these virtual simulations, your students will take on roles that are entirely non-clinical such as CEO, Marketing Consultant, Quality Improvement Director, Health Policy intern, etc., however, they will interact with other roles within the hospital environment that are clinical, such as the Director of Nursing, etc.

Q: What level are these suited to?

A: They are suitable for use at both the undergraduate and graduate level.

Q: Is there an Instructor's Manual?

A: Yes. Each product is accompanied by an Instructor's Manual which includes a storyline summary, character list, episode overviews, learning outcomes addressed and answers to episode quizzes.

Q: What are the recommended browsers and mobile apps for viewing Navigate Scenarios?

A: For Windows, we recommend the latest versions of Microsoft Edge,* Google Chrome, and Firefox.
* Internet Explorer (IE) mode isn't supported in Microsoft Edge.
For Mac, we recommend the latest versions of Safari, Google Chrome, and Firefox
For mobile, we recommend the latest versions of Safari in Apple iOS/iPadOS, Google Chrome in Apple iOS/iPadOS, and Google Chrome in Android OS 6 or later.
